ADVANCED MINERAL POOL SYSTEM

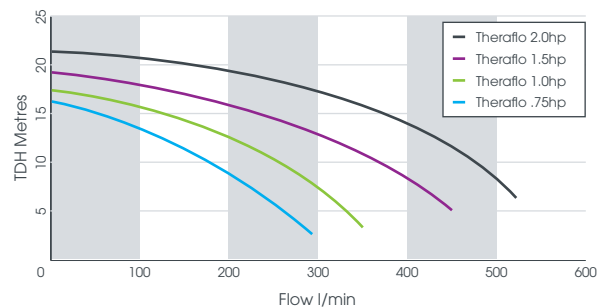

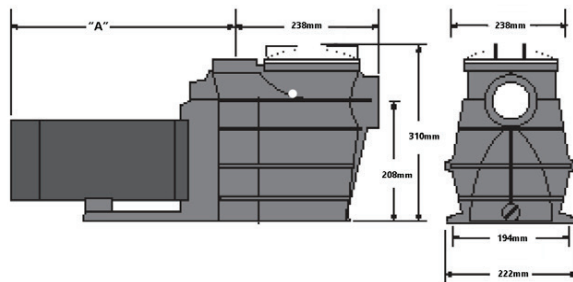

# S-SERIES POOL AND SPA PUMP

Featuring the latest innovations and technology, the Australian-designed and built Theraflo S-Series swimming pool pump delivers efficient water flow and energy savings at the push of a button. This robust pool pump is compatible with every filtration system and thanks to its high flow rates, it will ensure you can save money on your electricity bills while maintaining a cleaner, healthier swimming pool all year round.

## FEATURES AND BENEFITS

- Suitable for any swimming pool system.
- Low noise operation.
- 2 x optional barrel unions for simple installation of both 40mm & 50mm pipe.
- Large robust wet end that allows for fast water flow and holds large capacity debris basket.
- Large circular lid with 2-screw down clamping knobs making for easy access

Model	Volts	Phase	Input Watts	Pipe size	Total Horse Power	Flow Rate max @ 8 m/h	Noise @ 1m	Full load Amps
Theraflo .75hp	240	1	925	50/40	.75	220	<70	3.85
Theraflo 1hp	240	1	1068	50/40	1	275	<70	4.5
Theraflo 1.5hp	240	1	1530	50/40	1.5	400	<70	6.4
Theraflo 2hp	240	1	2020	50/40	2	500	<70	8.9
